## *The Fight at Concord Bridge*

by Harry L. Jaecks

Framing Option 1: **Gun Metal**

The first 1,000 who make a planned gift to NRA or one of its affiliates, will join the ranks of other modern day patriots and “defend freedom without firing a shot” as Charter Ambassador Members of the NRA Heritage Society. We are pleased to offer all Ambassador members this giclée as a token of our appreciation, with the following three framing options.

Framing Option 2: **Burl Mahogany**

Framing Option 3: **Hardened Walnut**

All prints will be accompanied by a framed certificate that shows your status as a Heritage Society Charter Ambassador Member.
